41 [Health aspects of wireless communication](#)

 Ads by [Google](#)

James C. Lin

January 1999 ACM SIGMOBILE Mobile Computing and Communications

Review, Volume 3 Issue 1

Publisher: ACM

 Full text available: [pdf \(734.57 KB\)](#)

Additional Information: full citation, abstract, references

Although our knowledge regarding the health effects of RF radiation has increased considerably, it has become a focus of attention because of the accelerated use of RF radiation for wireless communication over the past few years. This article gives a ...
